As this question is frequently asked, we will simply say that she is a lady who for upward of thirty years has untiringly devoted and nurse, principally among children. She ment discharged. It operates like magic, giving rest and health, and is, more-over, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is be coming world renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this Vast quantities of the soothing syrup are daily sold and used here. We think Mrs Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's soothing syrup.
